Well attended  
A queue at the back

Parents and relatives  
Enjoying the crack

Laughing at the jokes  
Clapping and stamping their feet

What a fabulous display  
A real lunch time treat

The hall is full, busting and bulging out  
Everyone pays attention and remains interested throughout

The kids are excited; the costumes are grand  
Whoever created them should be shaken by hand

I am always amazed at the diversity of the crowd  
Cheering in any language is infectious and loud

The choir sang beautifully like a throng of birds  
Amazingly, everyone remembered their words

The jokes are infectious, local and fun  
I laughed so much, my eyes began to run

Stop the jokes! Please, stop the fun!  
I can no longer see because my eyes start to run

This performance is professional and so funny too,  
Got to stop writing and run to the loo

I laughed so hard, I dribbled in my pants  
I will come to see this performance again should I get the chance

I think I will also storm the stage  
To join the two dancers, despite my increasing age

Ali Baba a fantastic event

Really enjoyed it glad that I went

Thanks for the invite

Thanks for the fabulous seat
