

School to School Support Initiative

Name of School	Birchwood Primary
Contact name	Steve Cloke
Email	adm@birchwood.suffolk.sch.uk

In no more than 200 words please outline an initiative that you have undertaken in your school within the last 12 months that can demonstrate the measurable impact on the attainment of pupils.

Title of Initiative	PE / Sport development
Key Stage	Whole school
Subject (if applicable)	PE / achievement
<p>Over the past year we have conducted a complete and rigorous review of PE provision at our school linked to the Sports Premium spending and sustainability. This has involved CPD of the whole school community...pupils, all staff , parents and the wider community, (we've even had gymnastics coaching for parents and masterclasses for our more able dancers)! We have closely studied the relationship between healthy diet, exercise and competitive sports pupil achievement and seen a distinct correlation between rising participation rates and rising achievement levels overall. The National Association's PE quality mark was a HUGE undertaking which served as an exemplary tool for which to audit and improve our PE provision.</p>	
Impact	<p>First primary school in Suffolk to be awarded National Quality Mark for PE / end of KS2 outcomes above national for attainment and progress.</p> <p>Dramatically increased 'take up' of pupil participation in extra -curricular sporting events, locally and nationally. All cohort PE achievement well above national.</p>
