

Lowton J & I Fantasy Football League

Last year we ran our very first Lowton J & I Fantasy Football league; Mrs Davies' Fevertree FC dominated the league for most of the season and she was our overall winner!

SFL is a great learning resource based on the concept of Fantasy Football, it provides a fantastic platform for teachers and parents to support the development of core skills like problem-solving and decision making, as well as providing an engaging and enjoyable focus for subjects like maths and ICT.

You will be able to play against your teachers, parents and classmates over the whole season. Entrants will control multi-million pound budgets and pick a 'fantasy' team of 11 players. They will accumulate points each week, depending on how their players perform in Premier League matches. The game runs from October to May and we will reward achievement throughout the season!

We will be running lunch time clubs and after school drop in sessions where children and parents can come in to school to set up and manage their teams, more details of these sessions will be on the school newsletter.

The league is open to everyone; children, parents, staff - the more the merrier! If you would like to take part go to www.schoolsfl.com and sign up, our school league ID is 7335108.

Scoring starts on Saturday 17th October but teams can join at any time.
