

# How to use ParentView on the Ofsted website

1. Visit <https://parentview.ofsted.gov.uk/>

2. Click on the 'Give your views now' button

3. You will need to register your details to use the site so click on the 'Register now' link and enter your email address

4. Once you have registered you will be sent a password. You will need to log into your email account to get this and you can then follow the link to the ParentView questionnaire

Thank you for completing this questionnaire for our school
