

Our Mission-Here, under the guidance of our patriarch, St Joseph, and inspired by centuries of Catholic teaching, we begin to learn how to serve each other and our world with the same faithful joy which we see in Jesus, our saviour and our Lord.

To Him be glory and praise for ever

Our Aims-With Christ at our centre we aim:-

- To work with parents, carers and the parish to stimulate and nurture each child's faith through prayer, worship and liturgy.
- To provide a safe, welcoming and secure environment in which each child feels happy and valued and challenges him/her to become a motivated and independent learner.
- To provide a stimulating broad balanced curriculum in which the highest standards in education can be achieved.
- To nurture the uniqueness, talents and abilities of each individual to help achieve their full potential at school, at home and in society.
- To work with parents, carers and the wider community to establish Christian values regardless of race, gender, ability and cultural background.
- To provide opportunities for all staff to develop their talents and skills for their own benefit and the benefit of school and the wider community.

We will achieve this by enabling children to...

- develop their use of English and Maths which provide the foundation for all their other learning.
- learn social skills that encourage positive interactions with peer and adults.
- treat everyone in an equal manner, irrespective of gender, race, class or disability.
- develop personal and moral values that are respectful of others, leading to their appreciation of other faiths and cultures.
- learn in a safe and secure environment, in keeping with the health and safety regulations that are in the interests of all whom work in the school.
