

Mr Harris
Assistant Head
Year 6 Class Teacher

My Family

I live with my wife Polly on the other side of town in Bessacarr. We are very excited at the minute as we are expecting our first baby in 3 weeks' time – keep checking back for updates! We lived in London for 3 years which we absolutely loved but moved back to be closer to our family and friends. I am originally a local boy, growing up in Cusworth and going to Saltersgate then Ridgewood School. Although we don't have any pets at the minute, I really want a dog – if you ever meet Polly please try to persuade her!

Fun Facts

I used to play cricket for Yorkshire and England.

I have been swimming with sharks!

My favourite colour is purple.

I can juggle!

My favourite animals are tigers and dolphins.

My nickname at school was 'Chopper' because of the way I tackled at football!

My Hobbies

In my spare time I enjoy playing a range of sports including cricket, football and golf. I enjoy going to see live music and my favourite band is Muse – rock on! I love going travelling and have been to some amazing places including New York, South Africa, the Maldives and Kenya where we got charged at by a huge bull elephant!
