

Mrs Brown Year 4 Teacher

My Family

I have an amazing daughter, who lives in Manchester with her partner. She has blue hair and lots of tattoos (which she thinks I hate, but I secretly think are cool – shhh!!!). I also have four nephews and I love beating them at table tennis (yes I can ... sometimes) and winning the ball from them at football, by fair means (usually) or foul (if necessary).

When I get the time, I enjoy visiting with my family and having a laugh with my three sisters. Two of my sisters keep ponies, ducks & chickens and grow fruit & veg on a smallholding, so I sometimes like to chill down there. I also love Skyping my sister-in-law in France & visiting her when I can.

My Hobbies

I enjoy reading, especially historical novels, and I love spending time in the countryside or at the coast. My favourite places are North Yorkshire, Paris and South West France.
