Geography – Geographical Skills and Field Work use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

Each class in KS2 to take part in a walk around the local area, every term to develop these skills.

Throughout all topics develop map skills, including identification of geographical features such as rivers, mountains etc.

French – see separate MTP

Maths – see separate MTP

Literacy – see separate MTP

Art/D.T – skills taught yearly though projects linked to theme, see yearly plans for more detail.
