"I have loved you with an everlasting love"
Jeremiah 31:3

RECEPTION: Well, what a lovely week we have had! It has been great seeing all the children come in so happy. Just a reminder – doors open in the morning at 8.45am and session finishes at 11.45am. Afternoon gate opens at 1.10pm and session finishes at 3.15pm.
Have a lovely weekend!

YEAR 1: We have had a great start to Year 1! The children have worked really hard and have risen to a lot of challenges. Next week we will be starting our new topic 'Space' where we will be reading lots of stories and lots of investigating. PE is going to be on Wednesday afternoon this year, so please can you make sure that your child has their PE kit in school for this. Also, if your child has their ears pierced, then their earrings do need to be taken out for that. Have a lovely weekend!

YEAR 2: Thank you everyone for making such a fantastic start to year 2. We have started our first text, 'Monkey Do' which the children are learning. In RE we are looking at The Chosen People. Science this term is Animals including Humans. Our history topic, this term is The Great Fire of London. Please take note – PE is on Thursday afternoons at the moment, can you make sure your child's kit is in school and earrings are removed.
Could you please try and read every night with your children as this really helps them make a good start in year 2. Books will be sent out next week! Have a great weekend.

YEAR 3: Welcome to Year 3! Children have made a good start this week and tried really hard to get used to all the new rules and routines! Our overarching theme for this half term is 'Under our feet'. This incorporates a local study - looking at Millom and how it has changed over the years with a particular focus on Hodbarrow and the mines. We will study rocks and soils in Science and our first Literacy text will be 'The 3 Billy Goats Gruff'. We will also look at 'How to trap a troll' and hopefully 'Krinklekrax' in the weeks to come. In RE our topic is 'The Christian family' and in Maths we have started with a number and place value focus. This term PE days will be: Thursday – Multi skills and hopefully some rugby on Wednesdays. Children need to make sure they have the correct kit in school on these days and earrings removed. It is useful to have PE kits in school every day, however as days can change. Homework will be sent home on a Friday and should be returned to school by the following Wednesday so it can be marked ready for new homework to be sent home. Finally, if anyone has any concerns or questions relating to anything in Year 3, please do not hesitate to contact us via the school office. Have a lovely weekend.

YEAR 4: We have had a great start to the school year and the children have settled in really well. The children have been working hard to develop their understanding of place value and numbers up to 10,000. In English we have been writing poetry based on the Summer. This coming week in Maths, we will be finding 1000 more or less than a given number and rounding to the nearest 10, 100 or 1000. In English, we will be looking at letter writing, looking at some good examples and having a go at writing our own letters. In RE we have been thinking about creation, including a walk around the local area and in the coming week will be learning about Abraham. Our topic work for this term will see us learning about how the second world war impacted upon children in Britain. This will be started off with an exciting topic day on Thursday with Charlie Lupton. The children will bring home a maths workbook this week for homework. This book will be used for homework throughout the year. The set homework will be marked with the date and will be closely linked to the work that we have been doing in class. PE days this term are Tuesdays and Wednesdays and the children will need black shorts and white t shirts on these days. Thank you for your help. Have a great weekend!

YEAR 5: It has been a lovely first week for year 5 and me! We have enjoyed getting to know each other and I am looking forward to a fantastic year with my new class. We had a visit from some pupils and a member of staff from John Ruskin School on Thursday to give information about their school and we are expecting visits from Millom School and St Bernard's Catholic High School in the near future. The schools will be having open days should you wish to have a look around before making any decisions in September next year. PE starts this week and our day will be Thursday so please can children bring in their kits on this day. Could you please encourage your children to read each night, even just 10 minutes does make a difference to them. Have a lovely weekend.

YEAR 6: It's lovely to see the children back at school; they have all made a really good start to year 6. We have begun our first topic, 'Wheels of Change' and have started by looking at the way in which crime and punishment have changed over time. In Literacy, we are writing recounts based on our topic theme. In maths we have started by looking at negative numbers and how they are used when reading co-ordinates. Our RE topic is 'The Kingdom of God' and this is being taught by Mrs Marmion on Thursdays. Our Onside lesson is on a Thursday morning, and so the children will need their PE kits in school on Thursday. As we have no lifeguard at present, the children aren't going swimming on a Wednesday. We will endeavour to have a second PE slot on another afternoon. I hope you all have a lovely weekend!

Please also remember in your prayers, Mrs Nicholas' cousin, Sharon Mason who sadly died last week. We ask you to pray for Sharon and for her mum, Sylvia and all of her family at this difficult time.

Please join us as we pray especially for June and Sharon – *Eternal rest give unto them O Lord and let perpetual light shine upon them. May they rest in peace. Amen*
