Dear Parents and Carers,

We are very excited to let you know that this week, we have started a whole school approach to spelling called **Read Write Inc Spelling**. It is a stand-alone programme for children in Years 2 to 6, and has been specially created to meet the demands of the new national curriculum.

*Read Write Inc. Spelling:*

- Teaches spelling in short, snappy 15 minute sessions.
- Engages children - new concepts are introduced by aliens on an exciting online spelling planet.
- Records progress through pupil Log Books.

Your child received 2 books for spelling lessons. The Practise Book, will be used in every Spelling lesson and will be kept at school. The Log Book, which will have personal words your child will write down and will need to learn, will be sent home every Friday. We will need your support to make sure that they will bring the Log Book back to school on a Monday in order to use it in lessons.

Have a chat with your child about the new spelling lessons; ask what do they do in Spelling, which character from the Spelling Planet is their favourite?

If you have any questions do not hesitate to speak to your child's teacher.

Many thanks ~ Literacy Team
