PLACE TO BE

Sadly after a partnership of over 15 years Place2Be will be leaving Bush Hill Park Primary School.

The project which helps support the emotional well-being of pupils and families will have its last day at the end of this term.

Until then, Fiona (the School Project Manager) will be available for any parent who wishes to talk in confidence about concerns they have for their children.

I would like to say a huge thank you to Fiona and her team who have made such a difference

SUMMER FAIR

Wow what a fantastic day we all had! FOBHPS would like to say a huge thank you to all staff, parent helpers and friends who gave up their time to help out at the Summer Fair on Saturday. Without all your help and support this would not have been the amazing event that it was. We had a great turn out and everyone seemed to be having lots of fun, but we couldn't manage to run such an event without all our wonderful helpers. The sun shone on the day which helped raise lots of money.. which we are still counting..... so watch this space to hear the final amount! - The money raised will benefit the school immensely so thank you again to everyone who came and supported us.

Healthy Living Week

As part of Healthy Living Week, pupils from Nursery to Year 6 looked at why it is important to live a healthy lifestyle. Across the years, we looked at how a healthy diet, which includes vegetables and fruit, is integral to a healthy life style and the quantity of sugar and salt that is hidden in popular products such as coke and ketchup. Pupils also looked at the key role of exercise and our timed laps of Bush Hill Park across the course of the week saw most pupils become fitter.

Attendance Week

Monday 15th June was the start of our Summer Attendance Week event. It was good to see so many of you making an effort to be in school and on time as much as possible. Every afternoon we held an attendance raffle for each class, entering the names of every child who came to school on time that day. There

were some surprising winners and some well-deserved ones too. Congratulations to everyone who took part each day by arriving at school on time and well done to Year 5 for having the highest attendance that week (98%) in total!

ENTERPRISE WEEK

Enterprise week began on the 22nd June where I gave each class £25. The focus was on eight core skills that are essential to succeed in life:

- Teamwork
- Listening and Presenting
- Aiming High
- Staying Positive
- Problem Solving
- Creativity

Each class had to apply and develop their skills through a project to make the most profit. So many great ideas were developed; from playdough to greeting cards, making Minions to goal kicks. It was an extremely successful week and **£735.07** was raised for the school! Thank you so much to all Parents/Carers for your support. The class who managed to make the most profit was Emerald Class so well done to you!
