*"I have loved you with an everlasting love"*  
**Jeremiah 31:3**

**RECEPTION:** What a lovely week once again in reception the children have settled really well. Next week we will all be in together for mornings till after lunch, the gate will open at 8:45 for morning and pick up after lunch is at 1:30. Please can I ask if your child has not got a reading bag they must have one as soon as possible as we will be starting to send home reading books etc very soon. Plus it is a vital way to send home letters. Hope you all have a lovely weekend.

**YEAR 1:** We have been working really hard on our space topic this week, and we have been finding out about the famous astronaut, Neil Armstrong! Next week in Maths we are going to doing a lot of counting in twos, so if you want to work on this with your child, we would really appreciate it. Just a reminder that the children have been asked not to bring toys into school a few times now. This is not just in Year 1, but in every class. Please could you support us in this matter! Thanks! Have a lovely weekend!

**YEAR 2:** What an exciting week we have had in Year 2. We have nearly learnt our story and are now creating more exciting ideas of our own. In Maths we have been counting in different way, forwards and backwards, ordering numbers and looking at place value and patterns. In RE we are looking at why Abraham was chosen by God. We have started our topic about the Great Fire of London. Everyone should now have a reading book and we are two sets on books, please try and read every day. Have a great weekend.

**YEAR 3:** This week we have been looking at place value in Maths and using this to help us add numbers. This had been quite tricky for some children and we have had lots of practice at partitioning the numbers into tens and ones. In Literacy we have been thinking about our wishing tales linked to the 3 Billy Goats Gruff story. Children have had to think of their main characters and what the characters want. We have also been thinking about starting sentences with adverbs. Thank you to those who have supported their children with homework this week – we hope this can continue! Next week, we will have a Year 3 mass on Tuesday morning at 9:30am – we hope you can join us. On Wednesday, KS2 have a BAE roadshow visiting school. They visited last year and it was great fun! See you next week – have a great weekend.

**YEAR 4:** Another busy week in Y4 which has seen the children working hard to develop their understanding of number in Maths and thinking about the important elements which go into letter writing. On Tuesday we had Mass to celebrate the beginning of the school year and on Thursday the children had a fun filled day with Charlie Lupton where they built Anderson Shelters. The children really enjoyed the day and this was a fantastic way to begin our topic on WW2. This coming week we will be writing our own letters, using all the things that we have learnt over the past two weeks. In Maths, we will be learning about rounding numbers to the nearest 10, 100 and 1000. In RE we will be thinking about Abraham and Sarah and their faith in God. Have a great weekend!

**YEAR 5:** We have had another lovely week in Year 5. The children began exploring what life was like for different people in each class onboard the Titanic as part of our new topic. They examined a range of sources themselves and wrote a diary entry from the point of view of one of the passengers. We have an exciting trip to the Merseyside Maritime Museum planned for later on this half term to coincide with our topic work. In science the children have been learning about Earth and Space with Mr McQuire; this week they were making their very own sundials. We are looking forward to the BAE Roadshow which is coming to school next Wednesday. It should be lots of fun and very interesting for the children. I hope you all have a lovely weekend!

**YEAR 6:** It's been a busy week in year 6 and the children are settling well into their new routines. In maths they have been learning about the properties of different triangles and quadrilaterals. Next week, they will be learning to translate and reflect the shapes on a co-ordinate plane. In Literacy, they have been writing news reports linked to the story, 'The Giant's Necklace' by Michael Morpurgo. We have continued with our work on crime and punishment, ready for our visit to Lancaster Castle on Tuesday. On Wednesday, the BAE roadshow will be visiting school; I'm sure it will another exciting science show! I hope you have a lovely weekend!

### **A NOTE FROM MRS NICHOLAS (PLEASE READ THIS SECTION AS ALL SCHOOL INFORMATION IS IN HERE)**

**Whats been happening?:** We celebrated the beginning of our new school year with a special Mass for the whole school on Tuesday. Thank you to all who came and joined us. On Wednesday year 5 and 6 met Mrs Drage and Mr Savidge from Millom School, for an insight into life at their secondary school. The children were given a prospectus and information about their open evening. On Thursday, year 4 had an exciting time making Anderson shelters with Charlie Lupton. This workshop was to support their topic on WW2. Mr Develin from St Bernard's Catholic High School came and spoke to year 5 and 6 on Friday.

**This week:** Year 6 have their trip to Lancaster Castle on Tuesday, the trip leaves and returns within the normal school day. Children need to wear their school uniform and bring a packed lunch. The cost of the trip is £12.50, please send this in on Monday if you have not already done so. Children will not need any spending money. Year 3 have their Mass on Wednesday morning at 9.30am. BAE Systems are holding a science roadshow for KS2 children on Wednesday afternoon. On Thursday afternoon from 1.30pm – 2.30pm there is a drop in session for parents with Karen Hirst our school nurse. Please come into school via the office if you would like to see her.

**Future Newsletters:** We are now producing our newsletter electronically, which will be e-mailed to you if you have supplied us with an up to date email address. The newsletter will be published on the school website [www.stjamesrc.cumbria.sch.uk](http://www.stjamesrc.cumbria.sch.uk) and a link to this will also appear on our school facebook page.

**School Meals:** From Monday 14<sup>th</sup> Orian changed to an online system for ordering and paying for school meals. The new system has been received very well by both parents and children. Parents have found the site easy to use and children think the system in the hall is brilliant! The website is [www.lunchshop.co.uk](http://www.lunchshop.co.uk) and log in details have been issued to parents for each child. It is important that you go on the site and order your child's lunch before 9.30am on the day the meal is to be taken; this applies even if you are in receipt of free school meals or your child receives the universal free school meals. We will not be accepting payments for meals from 14<sup>th</sup> September, any meals owed for the first week have now been placed as arrears on the accounts.

**Facebook site:** We have launched our new Facebook page, which we hope to use to let you know about things in the future. Please have a look and 'like' the page! Please check the page regularly in case our posts don't show up on your newsfeed.

**IMPORTANT! Parents Guild:** We have been very lucky these last few years in having a very pro-active Parents Guild, who have worked hard to put on discos, fun days and other events to raise much needed funds for our school. The Guild have paid for school trips and equipment for our Breakfast Club, ICT and for the classrooms. Without their efforts we would be without so many lovely things that the children use on a daily basis. Our Parents Guild are having their Annual General Meeting on Tuesday 29<sup>th</sup> September at 6pm in school, they are looking to form a new committee and would also like some new people to come and join them as helpers even if they don't want to take up positions on the committee. Please could all parents make an effort to come to the meeting and see if they can help out in any way – the work they do does directly benefit your children. Thank you.

**Open Afternoon for Prospective Parents:** We are having an OPEN AFTERNOON on Friday 9<sup>th</sup> October at 2pm for parents who are thinking of sending their children to St James' in September 2017. If you have or know of anyone who has a child who will be 4 years old before 31<sup>st</sup> August 2016, please tell them about our afternoon. I hope you all have a lovely weekend.

**Cycling to School:** If children come to school on their bikes, please can you make sure they wear a helmet for their safety. Thank you.

**Important! - SCHOOL TIMES:** Just to remind you that children are not to be sent into school before 8.45am, after which there will be a member of staff in the playground and the teachers from Reception and year 1 will be in class ready to supervise them.

**Our school day ends at 3.15pm unless your child is staying to an afterschool club. Please arrange to collect children from school promptly at the end of the day. Staff often have to attend meetings and training after school and it does cause problems if children are not picked up on time. Many thanks for your co-operation with this.**

I hope you all have a lovely weekend and enjoy the nice weather that is forecast!
