Dear Claire

I hope the new academic year has started well and that all of your pupils and staff had a great summer break.

I am writing to you to congratulate you, all of your staff and governors on the improvement in outcomes at Level 2b+ in each of reading, writing and mathematics in 2015. I know you will still be examining the results in more detail, but your school is likely to be one of only two infant schools in the city that achieved this improvement.

Please pass my congratulations and thanks on to all of your staff and Derby City Council looks forward to continuing to work with you in a partnership led system over the next academic year.

Yours sincerely

*Iain Peel.*
