

HB/CLW

24<sup>th</sup> September 2015

Dear Parents / Guardians

It's already nearly the end of September and hasn't it gone quickly?

The children have settled into whole school life very well. They are now familiar with the structures and daily routines and know their way around the classroom and outside area, taking control of their learning through play.

The children now take part in whole school assemblies, and loved watching the KS2 'Play in a Day' performance on Monday afternoon. They have quickly formed friendships and very much enjoy going out at break time and lunchtime to spend time playing with their new friends. They are also enjoying their lunches and love to show us their 'well done stickers' for finishing their meals.

A few parents have asked me if their child can play on the playground at 8.50am, rather than be taken to the classroom. We are happy to accommodate this and to supervise your child on the playground with the rest of the pupils. However, if you would like to continue to bring your child into Class 1 for a little while longer, please do so. Please just let me know on the slip below.

From Monday 28<sup>th</sup> September I will also bring the children out to the gates at 3.15pm. Please indicate on the slip the gate which you are likely to collect from.

Many thanks for your continued support and please come and see me if you have any queries.

Mrs Blankley  
Class Teacher

.....  
Name of child:.....

In the morning:                     Class 1                     Playground  
At the end of school:             Main Gates                 White side gate
