

## Woodseats New Behaviour policy

We are writing to let you know that we have introduced a new behaviour policy in school in response to requests from our pupils and in consultation with parents and staff.

The Golden Rules have been replaced with Woodseats Rules, these are:

- **Show good manners and respect at all times**
- **Follow instructions with thought and care**
- **Care for everyone and everything**

The children were introduced to these at the beginning of term. They are able to earn class rewards when their behaviour demonstrates they are using the rules and they are being good role models to the rest of the school.

Consequences for not following the rules remain the same and we will continue to inform you when your child consistently chooses to ignore the rules.

The aim of this system is that our children will leave the school with self-confidence and self-worth, understanding the importance of contributing positively to the community they are part of.

Please read the behaviour leaflet with this letter for further information. If you have any questions or comments please contact Mrs Dunning or Mrs Fox via the school office.

We want to thank you for your continued support of the systems the school has put in place.
