

At St Paul's CE Primary School,
we want all our pupils to feel
safe and supported as they learn
essential skills and knowledge
for their own life long learning.

We understand that during the
primary age phase, parents are
the most influential persons in
the child's development of ideas,
values and self confidence.

We are therefore, totally
committed to ensuring good
positive relationships between
child, home and school.

St Paul's CE Primary School

My Home School
Agreement 2010/11

Child

I promise to do my best in keeping St Paul's Star behaviour standards:

We speak in a friendly way

We co operate with each other

We do our best

We respect ourselves, each other, our school

We choose safe behaviour

We express our feelings appropriately

I understand that all I learn in school is there to help me at school and out of school.

Signed _____

Parents

We promise to bring our child to school regularly and promptly, doing all we can to take holidays during school holiday times.

We promise to work with the school in dealing with any of our child's concerns.

We promise to work with the school in finding good positive solutions in times of difficulty and challenge.

As prime educators, we promise to support our child with extending his/her learning at home through homework and other educational activities.

As prime educators, we will support our child's school learning through enhancing his/her positive esteem, positive self image and in gaining self confidence.

Signed _____

School

We promise to care for your child in a safe and secure environment.

We promise to foster Christian values in the overall education of your child.

We promise to protect and develop your child's esteem and dignity.

We promise to teach your child the skills and knowledge relevant to our curriculum and raise his/her level of personal expectation and aspiration.

We promise to keep you well informed of your child's progress and the expectations made of him/her.

We promise to work with parents and other professionals in finding good positive solutions in times of difficulty and challenge.
