

*With the Love of God we Learn, Grow
and Achieve*

Vision Statement

Our vision at St Joseph's is to develop and support children in becoming life-long learners, by providing a caring and stimulating environment.

Our children are given the opportunity to learn and grow in the knowledge and love of God.

Through the Christian Ethos, children are equipped with the skills to recognise, value and celebrate differences.

High expectations of the school community ensure children flourish, enabling them to reach their full potential, becoming independent, confident happy learners and curious about the world in which they live.
