

Pilton Infants' School Admissions

If you are interested in your child joining us, either in our main intake into [*Reception* or at any other time, please do come along and visit us. If you would like to make an appointment to visit, please contact the school office at the school on 01271 342579.

If we can make a place available to you then we will do so. If not, you would have the right to appeal to a panel that is independent of the school and we would place your child's name on a waiting list for vacancies.

Devon County Council is responsible for our admissions policy because we are a Community school. The policy is reviewed every year in the Council's annual consultation in December and January. This welcomes the views of our local community.

If we have a vacancy then all children are welcome to join us. If we are oversubscribed, we still welcome all children but give priority to particular groups: children who are looked after by the local authority, children with an exceptional need to come to our school, children who live in our catchment, children with siblings already here and children who live closer to us. These criteria are only used when we are oversubscribed. For full details of our admission arrangements, please look at Devon's co-ordinated admissions schemes as they constitute our policy.

We take part in the co-ordinated admissions schemes of Devon County Council which help parents to make applications for admission to school. Parents can apply through Devon for in-year admissions and through the local authority where the child lives for the normal round of admissions.

If you would like further information, please contact us in school on 01271 342579 or Devon's Admissions Service on 0345 155 1019
