

School Council Minutes: 12.10.15

Feedback from last week's suggestions:

- We will need to let the HFSA know about our ideas sooner - so they could include them
- Play-pod - too expensive, but we would love to have one in the future
- Still thinking about the sleepover - maybe in the summer term

Gave out school council badges - so all councillors are recognisable - here's what they think:

Epic ~ powerful ~ amazing ~ terrific ~ outstanding
~ as good (if not better) as wearing a crown!

We discussed how to remind classes to bring suggestions to councillors and when they could get ideas.

Year 2 need a new post box and will try to sort out themselves.

Ideas put forward: pumpkin carving competition, whole school zoo trip, even more benches on the field, a slide into the pool.

Minutes taken by Mrs Smith
