

PGCE PRIMARY WITH SCHOOL DIRECT

PATHWAYS PARTNERSHIP

The Pathways Partnership comprises a group of 15 Leeds primary schools working in a diverse range of social contexts.

We are committed to providing first-class learning opportunities for children and adults to develop the next generation of inspirational teachers.

THE PATHWAYS PARTNERSHIP

Pathways Partnership provides a high quality route into effective teaching, supporting you in your career as a student, an NQT and beyond. Previous trainee teachers within the partnership have been successfully employed in our schools, with an NQT programme to ensure that they continue to flourish as professionals in this exciting world of primary education. Our lead school, Beechwood Primary, was graded Outstanding by Ofsted in April 2015.

The schools in the partnership are located in contrasting communities across the city of Leeds.

North Pathway schools are:-

Bankside Primary
Beechwood Primary (lead school)
Cross Gates Primary
Grange Farm Primary
Iveson Primary
Seacroft Grange Primary
White Laith Primary

West Pathway schools are:-

Armley Primary
Castleton Primary
Christ Church Upper Armley Primary
Cobden Primary
Five Lanes Primary
Greenhill Primary
Lawns Park Primary
Whingate Primary

Please visit our individual school websites for further information about each of the partner schools and don't hesitate to contact us individually to find out more of what we have to offer.

ABOUT THE COURSE

Pathways Partnership provides each trainee with an excellent opportunity to train in two of its successful schools through a bespoke programme designed in partnership with Leeds Trinity University. In addition, the strong collaborative nature of the partnership provides trainee teachers with the opportunity to link with outstanding practitioners and specialists across all 15 schools.

Your year will be predominantly based in school but will comprise 3 distinct stages:-

Stage 1: In this stage you will receive intensive support and training from the university, giving you the skills, knowledge and understanding to prepare you for your block placement.

Stage 2: Provides you with the opportunity to develop and practise your skills as a primary teacher alongside experienced practitioners. A dedicated school based mentor will support you through this process.

Stage 3: This stage enables you to consolidate and apply your skills and knowledge through an 80% teaching timetable. The Pathways Partnership will support transition into your first teaching appointment.

Entry Requirements

- A degree at 2.2 or above.
- GCSE English, Mathematics and Science at Grade C or above (or equivalent)
- Successful completion of the Professional Skills tests for literacy and numeracy

Successful Applicants

- Meet the 'national requirements' (degree, GCSEs, DBS check, health clearance)
