Dear Ms Ngenda

I am writing to commend the excellent behaviour of your Year 5 pupils and efficiency of your staff at a recent event at Anfield.

Your Year 5 attended an event at Anfield on Thursday 8th March with 'Show Racism the Red Card' and prior to the event I took pupils from your school and several other schools into the LFC Museum. I just wanted to write to comment on how well behaved, polite and friendly the children were. The pupils, Mr Eagleton and Mr Hartley represented your school excellently on what was a busy day with several other schools present. They are a credit to your school.

Anything you feel our department may be able to do to support your school in the future don't hesitate to get in touch.

Kind Regards
