Guidance

L = Level, L4+ = national expected average at the end of Year 6, L4B+ indicates a good L4 has been achieved
L5 and L6 indicates a grade achieved that is above national expectation
Combined Reading, Writing and Maths shows the percentage of individual children scoring a L4+, L4B+ or L5 in all three subjects.

We are extremely pleased that our children have achieved outcomes above both local and national averages. Well done and thank you! Our improved attendance figures and your continued support have contributed to these excellent results.
