'No' answers because...

1) No playing in Y1, day too long, too much work, want to be at home

2) Too hard, it's tricky, I'm too tired, no want to be playing on my TV

4) I already know it all

8) When I trip up, I want to be with my mum and dad

9) Some children don't behave, some children spoil it

12) Some children haven't chosen to attend a club as it's the first time they've been offered them but will choose one next term

??

As a result of this survey we will be working with specific children around confidence building and with all children about ensuring they are really clear about their learning targets and how well they are doing working towards them.
