

# Review of Home Farm Saving Scheme

16<sup>th</sup> October 2015

Persons present at meeting: Ruby Harden, Mr Gibbs and Mr Arrowsmith

After 3 weeks of the Saving Scheme total of £236 had been saved with one further week to go.

Ruby and Lauren have been constant cashiers; third cashier unfortunately had another school commitment.

Ruby and Mr Gibbs felt it had gone smoothly and had not taken too much time. Even the trawl round to mop up in registration time didn't impact on their work load.

Wednesdays were felt to be the best day for the scheme to run.

Money will be returned to Savers end November.

Future Recommendations suggested by all:

- More posters on school gate, Sunshine Shelter and HFSA notice board
- Make Saving every week- every Wednesday
- 2 cards to be made - one to go home and the other to be kept in school
- Year R to be included
- Saving champion to help Year R and Year 1 in approaching table
- Saving champion to wear sash (?) - possible need to recruit another cashier.
- Another assembly to re-introduce scheme, the saving champion and reminders to dance club to bring money round!
