1. Admission arrangements for Kirklees community and voluntary controlled schools for the school year 2015-16: Determined by Kirklees Council Cabinet 25 March 2014

- These schemes are intended to comply with The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 and the School Admissions Code 2012
- Some community or voluntary controlled schools in Kirklees may become an own admission authority by converting to academy status or changing category to trust or voluntary aided status during the life of these arrangements. Any school that becomes an own admission authority during the period of these schemes assumes the responsibilities of an admission authority from the date of change of status / category.
- Please consult the websites of Kirklees and other admission authorities to obtain the most up to date information.
- There are no planned changes to Priority Admission Areas (PAAs) for 2015-16

1A. Published Admission Numbers (PANs) and Priority Admission Areas (PAAs)

Published Admission Numbers (PANs)

All schools have a Published Admission Number (PAN or admission number). This is the maximum number of places that the school can offer in each year group. This section explains how we have arrived at the proposed Published Admission Numbers based on the workplace range for each school.

In order to comply with the statutory timetable, the LA must consult the governing body of each community and controlled school about the PAN (and other admission arrangements) 18 months before it comes into effect. PANs for September 2015 must have been consulted on by March 2014

In order to be consistent when proposing PANs for each community and controlled school the Kirklees LA considers the following:

- The Net Capacity Calculation

The internal measurement of a school produces a maximum number of workplaces and a minimum number which is normally 90% of the maximum. We call this 10% spread between the maximum and minimum workplaces the 'range'.

The net capacity of a school is subsequently determined as the agreed PAN multiplied by the number of age groups at the school provided that this figure falls within the 'range' of workplaces. If a PAN is chosen which (when multiplied by the number of year groups) does not fall within that range, the Net Capacity is set as the nearer of either the maximum or the minimum number of workplaces.

Nursery space is excluded from the net capacity measurement, therefore, this age group is also excluded from the calculation.

The net capacity calculation estimates the impact of a sixth form group on the entire school and provides a proportion of a year group. For example, an 11-18 secondary school with a sixth form may have 5.42 year groups (five statutory age groups plus 0.42 equivalent full-size age groups of sixth form students).

- Flexibility in setting PANs

The range of workplaces calculated for each school allows Kirklees some discretion in setting the PAN to take account of a school's particular circumstances and governors' views. The Authority's expectation is that, in most cases, PANs will be set within the range with appropriate and realistic regard to the likely demand for places.

- PANs outside the range

If a school proposes to set a PAN which, when multiplied by the number of year groups, falls below the calculated range, the admission authority must publish a notice in the local newspaper informing parents of the agreed PAN and giving reasons why it has been set below the minimum capacity of the school building. Parents may then send their objections to the Office of the Schools' Adjudicator.

However, Kirklees may set a PAN **above** the range for the following reasons:

- to accommodate all in-area children who apply on time for the first year in school
- where it has been agreed that the school should expand
- where the school accepts that they can accommodate children above the range without the need for extra accommodation.

Priority Admission Areas (PAAs)

In Kirklees each community and voluntary controlled school has an area identified as its Priority Admission Area (other LAs refer to catchment areas). A small number of schools share priority areas; these are known as shared priority areas. Full details of priority areas are available on the Kirklees Council website.

1B. Changes for 2015-16

The approved changes to the admissions arrangements for community and voluntary controlled schools for 2015-16 are shown below:-

- **Waiting Lists** for community and voluntary controlled schools in Kirklees, or for own admission authority schools e.g. Academies, Trusts, Voluntary Aided Schools who mirror Kirklees LA admissions arrangements.
 - The length of time waiting lists are kept open will change from a year to a term. For applications to the year of entry to a school, the waiting list will be held until the last school day in December. For in-year admissions, the waiting list will be held for the remainder of the term for which they have applied for a place.
- **Published admission numbers (PANs)** for community and voluntary controlled schools in Kirklees
 - The attached table on page 7 indicates the approved PAN for each year in a school.
 - Where a change is made to the PAN for a particular year of entry (the relevant year), it applies to that cohort of pupils only, at admission and in successive years as the pupils progress through the school.
- **New primary provision at Royds Hall**
 - Kirklees Council Cabinet approved the proposal in April 2014 to create an all through school at Royds Hall Community School for pupils aged between 4 and 16 years, and, there will be 30 Reception places available in September 2014. The school will be grow year on year to provide primary places, for children aged from 4 to 11, based in new facilities within the school grounds. The council has created the new all through school because there is a growing need for primary school places in the western area of Huddersfield.
- **Proposal affecting Denby Dale Nursery School and Gilthwaites First School**
 - The Local Authority carried out a statutory consultation about proposals to bring Denby Dale Nursery School and Gilthwaites First School together and co-locate these on a single site, this

ended on 13th December. Cabinet approved the publication of statutory notices and proposals in April 2014. The final decision about the proposals is not anticipated before July 2014.

- **Proposals to create an ‘all-through’ school to serve the Almondbury community by bringing together Greenside Infant and Nursery School, Almondbury Junior School and Almondbury High School for pupils age 3 – 16 years.**
 - Kirklees Council Cabinet approved a proposal in April 2014 to bring together Almondbury High School, Almondbury Junior School and Greenside Infant and Nursery School as an all-through school for children aged between 3 and 16 years (with nursery provision) from 1st June 2014. The PANs for each Key Stage of the all-through school will be as follows; 60 at Key Stage 1, 110 at Key Stage 2 and 125 at Key Stage 3 and 4.

1C. Admission arrangements for Kirklees community and voluntary controlled schools for 2015-16

1. Admission Criteria

If there are fewer applicants than there are places available, everyone who applies will be offered a place. When there are more applicants than there are places available there has to be a way of deciding which children are offered places. This is done by having admission criteria, also known as oversubscription criteria, which are considered in order. The proposed Kirklees admission criteria for community and voluntary controlled schools are:

1. children in public care (looked after children) or a child who was previously looked after;
2. children who live in the school’s Priority Admission Area (PAA) who have a brother or sister attending from the same address at the date of admission (the sibling rule);
3. children who live in the school’s PAA;
4. children who live outside the school’s PAA who have a brother or sister attending from the same address at the date of admission (the sibling rule);
5. children who live outside the school’s PAA.

Community and controlled schools will admit a child with a Statement of Special Educational Needs where the school is named on the statement.

2. Linked infant and junior schools

There are several combinations of infant and junior schools in Kirklees. These are shown in the list below. The majority of children transfer from the infant school to the linked junior school. It is proposed to strengthen the admissions criteria for linked infant and junior schools to increase the continuity for children to a level comparable to that in an all-through primary school

- Almondbury CE(VA) I & N School and the KS2 phase of the all-through school at Almondbury
- Berry Brow I & N School and Newsome Junior School
- Birkby I & N School and Birkby Junior School
- Dryclough CE(VC) Infant School and Crosland Moor Junior School
- Earlsheaton Infant School and Bywell CE (VC) Junior School
- Honley CE(VC) I & N School and Honley CE (VC) Junior School
- Kirkroyds Infant School and Wooldale Junior School
- Lindley CE(VA) Infant School and Lindley Junior School¹
- Manorfield I & N School and Staincliffe CE (VC) Junior School
- Marsden I & N School and Marsden Junior School
- Netherton I & N School and South Crosland CE (VA) Junior School

¹ Please see admission policies on the websites for both schools

- Pentland I & N School and Headfield CE (VC) Junior School
- Purlwell I & N School and Hyrstmount Junior School
- Ravensthorpe I & N School and Ravensthorpe CE (VC) Junior School
- Rawthorpe St James CE(VC) I & N School and Rawthorpe Junior School
- Reinwood I & N School and Reinwood Community Junior School
- Savile Town CE(VC) I & N School and Headfield CE (VC) Junior School
- Shaw Cross I & N School and Bywell CE (VC) Junior School
- St John's CE(VC) Infant School and Westmoor Primary School
- Thornhill Lees CE(VC) I & N School and Headfield CE (VC) Junior School

3. Admission criteria for linked infant and junior schools

If there are fewer applicants than there are places available, everyone who applies will be offered a place. When there are more applicants than there are places available there has to be a way of deciding which children are offered places. This is done by having admission criteria, also known as oversubscription criteria, which are considered in order. The Kirklees admission criteria for linked infant and junior, community and voluntary controlled schools are:

1. children in public care (looked after children) or a child who was previously looked after;
2. children who live in the school's Priority Admission Area (PAA) who have a brother or sister attending either school from the same address at the date of admission (the sibling rule);
3. children who attend a listed infant school (with priority for the linked junior school)
4. children who live in the school's PAA;
5. children who live outside the school's PAA who have a brother or sister attending either school from the same address at the date of admission (the sibling rule);
6. children who live outside the school's PAA.

Community and controlled schools will admit a child with a Statement of Special Educational Needs where the school is named on the statement.

4. Notes

- a) The definition of a 'looked after child' is a person under the age of 18 who is provided with accommodation by a local authority, acting in its social services capacity, for a continuous period of more than 24 hours, by agreement with the parents or in accordance with section 22 of the Childrens Act 1989. Previously Looked After refers to those children who immediately after being looked after became subject to an adoption order, (under section 46 of the Adoption and Children Act 2002), residence order (under Section 8 of the Children Act 1989), or specialist guardianship order (under Section 14A of the Children Act 1989). Children looked after under an agreed series of short term placements (respite care) are excluded
- b) Children in priority 1 above may be admitted above the PAN.
- c) If we cannot agree to requests for admission in priorities 2 to 5 above without exceeding the PAN, we will give priority up to the PAN to children living nearest the school.
- d) Distance is measured in a straight line from a child's home address to the school. Measurements are calculated using six-figure National Grid Co-ordinates from the National Land and Property Gazetteer. This grid reference relates to a point that falls within the permanent building structure corresponding to the address. The boundary of the building structure for the address is from Ordnance Survey's MasterMap. For smaller, residential properties the grid reference marks a point near the centre of the building. For larger properties like schools with, for example, multiple buildings and large grounds, the grid reference relates to a point inside the main addressable building structure. The distance calculated is accurate to within 1 metre.
- e) 'Live' means the child's permanent home at the date when applications close or, if a significant house move is involved, the latest reasonable date before the final allocation of places.

- f) Where a child's parents live at different addresses and the child spends time at each address we will consider the following when deciding on the address, which we will use for admissions purposes:
- the amount of time spent at each address
 - which parent has parental responsibility for the child
 - who receives child benefit for the child
 - where the child is registered for medical and dental care
 - any residency or custody orders made by the courts.
- We will ask for documentary evidence to support information given about the above points.
- g) For children transferring from first or middle schools, we will give preference in priorities 2-5 above (up to the PAN) to children attending a first or middle school in the middle or secondary school PAA.
- h) A PAA means a geographical area determined by Kirklees in consultation with the governing body of the school. It is called this because children living there normally have priority for admission over children who live elsewhere. It is also referred to as the catchment area.
- i) Children with Statements of Special Educational Needs are admitted to mainstream schools, special units and special schools separately from the general admission policies.
- j) **It is important to note that attending a school nursery or pre-school setting on a school site does not give any priority for a place in that primary/infant school and there is no automatic transfer.**

5. Application Procedures

a) Transfer to secondary school

Kirklees residents will apply for a secondary school place by using the online facility or completing the Secondary Common Application Form (SCAF). The application period will run from the week beginning **1 September 2014. The closing date for applications online or on paper will be 31st October 2014.**

b) Transfer to junior or middle school

Kirklees residents will apply for a junior or middle school place by using the online facility or completing the common application form (TCAF). The application period will run from the week beginning **3 November 2014. The closing date for applications online or on paper will be 15 January 2015.**

c) Admission to full-time school for rising five year old children

Kirklees residents will apply for admission to full-time school (rising five year old children) by using the online facility which will be available from early **September 2014** or by completing the primary common application form (PCAF). **The closing date for applications online or on paper will be 15 January 2015.**

d) Late applications

Applications received after the appropriate closing date will be regarded as late unless, in Kirklees' judgment, there are significant and exceptional reasons for the lateness. Proof of special circumstances will be required.

Late applications are not considered until all on-time applicants have been allocated places.

Forms submitted after the closing date due to a significant house move will be regarded as on-time provided that documentary evidence to confirm the move is provided and the allocation process has not begun.

e) Waiting lists

A child's name will automatically be placed on the waiting list for any Kirklees community or voluntary controlled school where they have been refused a place in the school's normal year of entry, eg, Year 7 at secondary school.

The waiting lists will be held in admission criteria order and will close on the last school day in December.

For in-year admissions, the waiting list will be held for the remainder of the term for which they have applied for a place.

f) In-year admissions

Kirklees residents who wish to apply for a place in the first year at a school after the first school day in September 2015, or to any other age group at any time, will apply on the In-year Common Application Form (ICAF).

g) Twins / multiple births

A twin or sibling from a multiple birth can be admitted as an excepted pupil into an infant class, where admission of more than one of the siblings would exceed the infant class size limit of 30 pupils, such cases would be examined on an individual basis.

h) Flats

In the event of two or more children living equidistant from the school, eg, blocks of flats, the place will be decided by drawing lots, the first name drawn out of the bag will be offered the place.

i) Rising five year old children

Full time places will be available from the September following a child's fourth birthday.

Parents may defer their child's entry until later in the school year and the allocated place will be held for the child. Parents may not defer entry beyond the beginning of the term in which the child reaches their fifth birthday, nor beyond the school year for which the original application was accepted.

Parents can request that their child takes up the place part-time until the child reaches compulsory school age.

j) Children of Service Personnel

Kirklees Council is signed up to the armed forces Community Covenant, which is a pledge made by the government to ensure that the armed forces and their families are not disadvantaged as a result of their service. As part of the co-ordinated process applications from armed forces families are reviewed on an individual basis to ensure they are not disadvantaged, and, Kirklees LA may ask schools to consider admission over PAN if this is felt to be necessary. If an alternative school place cannot be secured by normal processes, the application may be considered under Fair Access Protocol.

Children of service personnel and crown servants returning from overseas to live within Kirklees, will be allocated a school place in advance of their arrival. The application must be accompanied by an official letter declaring the relocation date and postal address. The allocation will be based upon the anticipated postal address.
