

Redlands Golden Rules
These are basic rules that have been devised. They aim to ensure that everyone in school has a happy and safe experience

Each week is a fresh beginning and the children begin with a full complement of Golden Time .

Golden Time
This is every child's entitlement if they choose to stick to the Golden Rules. Golden time happens in every classroom. It is a time when the children have free choice of activity.

Redlands Behaviour Policy Golden Time

Every child starts the week with their full entitlement of Golden Time. If they choose not to stick to the Golden rules then they first receive a reminder before then losing a minute of their Golden Time for each rule broken.

Any child who has lost Golden Time sits quietly at the beginning of the class Golden Time and watches the minutes pass, either with a sandtimer or a clock.
