

Clayton Village Primary School
Sports Grant for Academic Year 2015/16

Purpose of Funding (taken from DfE website)

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding for:

- Hire qualified sports coaches to work with teachers
- Providing existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sport clubs, holiday clubs and Change4Life clubs
- Run sport competitions
- Increase pupils' participation in the School Games
- Run sports activities with other schools
