

Get to know the Governors
Sarah Mahmood one of our Staff Governors

Favourite colour: Turquoise

Favourite subject at school and why: History, because I liked to learn about how people lived in the past and how times have changed as we have adapted to the present.

Favourite book / author and why: I like the books written by Martin Waddell, for example, *Can't you sleep Little Bear*, *Snow Bears* and *Let's go home Little Bear*. They make me feel all warm and fuzzy.

The type of work you do: My work involves working both with children and parents. I do a lot of small group and one to one work, helping children to learn and achieve. I also run parent groups which enables them to help support their children's learning.

Hobbies / interests: I enjoy the nature so going for long walks is one of my hobbies. I also like to sew when I get time.

Why you are a Governor: I am proud to be part of the VPS team. I feel that being a governor will enable me to represent our staff, children and parents, and show that we are here to make a difference.
