

Morcharad Bishop C of E Primary School
Pupil Premium Action Plan 2015/16 – Morcharad Bishop C of E Primary School

Amount of grant received =£22000 (approximately)

Aims:

To ensure Pupil Premium children are not disadvantaged in any way

To enhance the curriculum for Pupil Premium Children

To continue to close the gap in the performance of Pupil premium Children against their peers

Aims & Support	Intended impact	Costings	Actual Impact	Date of completion
To support the reading recover programme to close the gap between weaker readers in year 1 and their peers. To encourage a working partnership between parents and school.	Children to make significant progress in reading through one to one support. To have closed the gap by the end of the programme.	£12000	Children to be monitored through the Pupil Premium Group	September 2015- July 2016
To use one to one teacher support for Key Stage 2 children who need a boost and have been identified as falling behind. Use of two 30 minute intensive sessions per week to work on English skills with reluctant writers in order to build up confidence and quality of work.	To make more than expected progress. (Close the gap)	£2000	Children's progress to be monitored	Review December 2015
Use of LAMDA and other extra curricular clubs to build up confidence and give the children a wide range of experiences.	This should support work in all subjects by raising self esteem.	Approx £30 per LAMDA Exam, or £30 per term of extra curriculum clubs. £500	Monitor through case studies.	Ongoing
Use of Forest schools to support problem solving skills, PSHCE and attitude to learning.	To develop positive learning behaviours and confidence.	£3500		January 2016 onwards
To support children at the end of their Key Stage (+ phonics) to ensure they meet Government and LA targets. Teacher led	To ensure the children are on track for mastery at the end of	£1000		January 2016 to May 2016
