All views are greatly valued and the collated comments will be discussed by all staff and governors as we continue to develop provision at Copley Junior.

28 parents responded 'don't know' to the bullying statement - comments included: 'I haven't had or heard any report on bullying and have had no major concerns to raise so wouldn't know how to answer this question and one on the school responding to concerns'. To ensure parents know about the school's robust approach to anti-bullying, we will ensure that we share more information about our approach via newsletters and the school website. As always, if you do have individual questions or queries, please get in touch.
