

My name is Mrs Wells, my career as a TA began over 7 years ago and has included working with children from primary and secondary ages with a strong focus on children with special educational needs. Starting as a TA last year at Elm Park Primary School, working in year 2 I am now currently working with Year 5 whilst also enjoying running a number of Pastoral Support Programs with a number of children from a range of year groups.

A mum of 2 grown up daughters I enjoy spending time with my family and visiting the gym.

My email address jwells@elmparkprimary.co.uk.
