

**Hello my name is Miss Majevalia I'm the teacher in Poplar class (Year five). I've currently started my first year of teaching in Elm Park Primary School and I'm absolutely loving it. From what I can remember I've always wanted to be a primary school teacher. When I was younger, I used to make my grandad be the student and I would pretend to be the teacher, teaching him things I would've learnt that day. From this I learnt how important a teacher's role is. My aim in Elm Park Primary School is to be a part of a team in which children can achieve and the children can be the best they can be. I enjoy the little things in life - hot chocolate, duvets and spending time with my family. The motto for our class is 'Positivity is the key'.**
