The 3 *disagrees* were from the same parents of pupils who struggle with their work and receive extra help in class. The children were spoken to and disliked school some days because they hated writing etc...

Some of the answers the parents were unsure of and one parent thought her child didn't have many friends so must not enjoy school.

I have met with the three parents to discuss their answers and put things in place for September.

Thank you so much for your positive responses and feedback. Positive comments written at the end of the questionnaires included: -

- I am extremely pleased with every aspect of my child's time at Our Lady's School. My child has always been challenged and encouraged to reach her full potential and has always received extra guidance and support when it is needed. Teaching staff always seem to go above and beyond.

Further suggestions written were as follows:-

- **To give more notice of football matches, class assemblies etc... to working parents if possible**
- **More regular progress reports (not just the 3 Parents' evenings).**
- **Spelling test results to be written down**
- **Parents to label school uniform so that it doesn't get lost**
- **Some poor behaviour to be dealt with more robustly**

**Some of these comments can be addressed quickly and I met with the parent who commented about poor behaviour in one class **

Thank you once again for taking the time to complete the questionnaire and for the very positive comments.
