Home School Agreement

We need to work together to ensure that your child is happy at school and that we help them to achieve their potential. In order to do this we have set out below our School Vision, a Travel Plan, an E-learning Code of Conduct and a Permission and Copyright Release. Please go through this with your child and sign the agreement. One copy is for you, one is to return to school

A. School Vision

We will have:

- strong, supportive leadership;
- effective teaching;
- a broad, stimulating, inclusive curriculum;
- clear rules;
- close links with parents.

So that our children are:

- safe;
- happy;
- healthy;
- are well behaved and caring;
- and work hard to achieve their best.

We are committed to supporting and developing all staff to achieve these aims.

B. School Travel Plan

We ask that parents support the School Travel Plan to help keep children healthy and safe:

- Please walk, cycle or scooter to school where possible.
- If you have to drive to school, park with consideration – park away from entrances, junctions and passing places.
- Do not park on the zig-zag lines or in the staff car park.
- Use the car parking behind the health centre to help avoid congestion near the school.
- Teach your child road safety – teach them how to cross the road safely, explain that the raised platforms on the roads around the school are not zebra crossings, teach safe use of a bicycle and emphasise the importance of wearing of a cycle helmet.

C. E-learning Code of Conduct

Internet, e-mail and access to a Learning Platform will be provided for your child to conduct research and communicate with others and access personal on-line storage space but only on the understanding that they agree to follow this code. At all times they should use e-learning resources in an appropriate and responsible manner.

- ✓ Only access sites which are appropriate for use in school. This also applies outside lesson time.
- ✓ Be aware that actions on the Internet, when using e-mail and on the Learning Platform can be seen and monitored.
- ✓ Be aware that information on an Internet web site may be inaccurate or biased.
- ✓ Be careful of what you say to others and how you say it. *Never give your name, home address, telephone numbers or any personal information about yourself or others to any strangers you write to or communicate with on the Internet. Never arrange to meet strangers who approach you whilst on the computer; anyone can pretend to be someone else. Someone pretending to be a friend may not have your best interests at heart.*
- ✓ Treat others as you would expect to be treated, e.g. show respect and be polite.
- ✓ Always tell your teacher or another adult if you ever see, hear or read anything which makes you feel uncomfortable while using the Internet or e-mail.
- ✓ Respect copyright and trademarks. *You cannot use the words or pictures that you see on an Internet site without giving credit to the person that produced the information originally. You must not copy text or pictures from the Internet and hand it in to your teacher as your own.*
- ✓ Check with a teacher before: sending e-mail, downloading files, completing questionnaires or subscription forms, opening e-mail attachments.
- X Do not send, access, store or display offensive or upsetting messages or pictures.
- X Do not use or send bad, threatening or annoying language nor any language which might incite hatred against any ethnic, religious or other minority.

D. Permission and Copyright Release

We ask that parents consent to the school publishing examples of their children’s work and to the taking and using of photographs or digital video of their children subject to strict confidentiality of personal information. The images will be used only for educational purposes or as part of the promotional activities of the school; for example, in local news articles or on the school website. We take child safety very seriously therefore pupils will not be identified in published images. If you have concerns about this, now or in the future, please contact the school.
