	Pupils should continue to apply and develop a broader range of skills and use them in a range of activities. These must include modified team games, dance, gymnastic, athletic and outdoor and adventurous activities. Lancashire KS2 PE scheme would support children’s learning in PE.	Whenever children are engaged in electronic communication, establish and reinforce messages about using technology safely, respectfully and responsibly.	Spelling and handwriting should be taught discretely. Refer to the key learning in writing document for progression guidance.
