Which angel is always late?
Which angel is always late?
She rushes around making mistakes,
Whoops a daisy angel

Whoops a daisy angel*

She lost her harp somewhere in the sky
She lost her harp somewhere in the sky
She looked down low, she looked up high,
Whoops a daisy angel.

Whose halo is never straight?
Whose halo is never straight?
Who's still snoring at half past 8?
Whoops a daisy angel

We are very careful little angels
And we're all extremely neat.
We are all as perfect as can be
From our heads to our feet

We're so angelic
Don't you agree?*

We have all the nicest jobs
Because we do them best
Dusting every moonbeam
We never leave a mess
