Dear Parents,

As Low Bank Ground is nearing, we just wanted to let you know some final information.

The coach usually leaves at around 9:15. On entering school on Monday, the children should take their bags into the hall, where you can wait with them until the time comes to leave. The children will need a packed lunch in a plastic bag for Monday dinner time. Please do not send sweets or fizzy drinks for the coach journey as we do travel on some winding roads.

Children who need travel sickness tablets will need to take medicine with them for the return journey and also for mini bus journeys throughout the week. Please hand this to Mrs McLoughlin on Monday morning in a clearly labelled bag.

If medicines are required for other conditions, please ensure that these are clearly labelled with instructions and handed to Mrs McLoughlin.

Mobile phones, games consoles and portable DVD's are **not allowed** on the trip, but I would encourage children to bring games such as connect 4, cards, chess and dominoes to play together in the evening. iPods mp3 players are allowed. Books, magazines and puzzles books are a good idea for the coach journey. Children can also bring their Advent calendars.

Please remember to pack plenty of layers, plenty of socks and wellies.

There is a tuck shop and children will be able to purchase drinks, chocolate, postcards, pens and pencils. If children have addresses and stamps, post cards can be sent. £10 is usually sufficient.

There is no longer a telephone for pupil use at the centre. If we do need to contact you during our stay, Mrs Farrell, Miss Shaw and Mrs James are our school contacts during the evening.

If traffic allows, we will arrive back at school at approximately 3:30pm on Friday.
