

School Council Minutes: 7.12.15

Feedback from last week's meeting:

☺ We will be organising a School Notice Board which will be situated in the Hall so all children will know what is happening this week; in the coming weeks or further into the future. Great news!

☺ Paper wastage and mess appears to be less of a problem in the Sunshine Shelter, but Councillors will continue to monitor

Ideas shared:

We have had citizen suggestions

Yr 4 suggested:

1. They are doing a lot of work on data in class and would like to run a survey regarding favourite school dinner - more information to follow
2. They suggested a slide for outdoor play equipment
3. Also to have an Art Club

Yr 5 suggestions include:

1. Different Clubs: animals, gymnastics, lego and reading

2. Tasty Tuck - let's grow our own apples, pick them and then sell them
3. We would also like more bins and benches please.

Year 6 will be delivering Christmas Cards again this year - so make sure you put the year group as well as the name on the front!
