

PE/Sports Premium Evaluation 2014-15

What is Primary Sports Funding?

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school Head-teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

How will the funding be spent?

At Castle Hill Primary School, we are committed to providing high quality PE facilities. For the past eight years we have bought into swimming lessons for KS2, utilising our local pool. We have developed an action plan to ensure that the money is spent on initiatives which will have a long lasting impact on the future learning and physical development of children within our school.

The table below gives a summary of the different ways in which the funding will be used and its expected impact.

Initiative	Impact	Evaluation	Cost
Supervision from 8.30 before school to allow children access to the playground to play football	For children to enjoy sport and encourage active lifestyles.	From the National Child Measurement Programme 2013-14, Children at Castle Hill who were overweight were 18% compared to Calderdale average of 27.1% Children who were obese - CH 10.8% Calderdale - 13.4%	£900
Swimming Lessons to continue for KS2.	All children learn to swim so that water confidence is gained early. Castle Hill achieved 83% National Curriculum pass rate for year 6s from last year 2013/14. The Calderdale average is 67.7%.
