Fostering enquiring minds and reflective hearts

Friday 19th June 2015

The News

The trip to the Severn Valley Railway ran very smoothly, apart from the traffic on our journey back home. Apologies to those of you that had to wait a long time for us but by the time we phoned school, most of you had arrived and we had not realised that traffic would continue to be heavy.

The children behaved impeccably and were a credit to school and family. We caught the train at Kidderminster, had a picnic and went to the museum at Highley and then continued on our journey to Bridgenorth. At Bridgenorth we all took a trip on the cliff railway before our return journey to Kidderminster.

I have to say a huge thank you to all our helpers on the day. All mentioned how fantastic the children were and what a great day it was; rather hot but lots of experiential learning.

Questions...

As the school year is coming to an end and we are getting ready to look forward to next academic year, we are seeking your input and thoughts on a number of items. I will be sending out a questionnaire and really do want your input on the following areas:

- Use of the walking bus
- Homework for each year group
- Improvements to wrap around care
- The vision for the school

I am giving advance notice to give you some thinking time as we want to get this right for our whole school community.

Reports

Reports are coming home next Friday, June 26th. We listened to your comments fed back in March and have worked hard to produce a report format that will hopefully be as informative as possible and personal to your child. They will be typed and they also fit the report format used by our Pyramid schools.

Feedback will be very welcome on the returns forms that come with the reports.

The Core Christian Values Cluster

We have six core Christian values that were decided upon through consultation. As a school, we focus on two per term. Our core Christian values this term are persistence and patience.

The following children have been put in the school book since the last newsletter:

Oliver Beavan, Daisy Stallard, All of reception, Jarod George, Aaron Shariff and Sailey Smith

Reminders to Children

- Always bring in a jumper
- Always bring a coat to school
- Always be prepared for the sun with a school cap.

Reminders to Parents

- Whole school photo – copies available to view in the office at the cost of £12
- Thank you to those parents who have sent in written comments about the parking situation at school. We are still collecting so it is not too late to share your experiences or comments.

It has been brought to my attention that parents are unaware of our cluster schools. These are the schools we liaise with as our pupils feed into the Pershore pyramid. They are:

Himbleton CE First School
Crowle CE First School
Upton Snodsbury CE First School
Inkberrow First School
Pinvin CE First School
Flyford Flavell First School
Fladbury CE First School

Upcoming Events

Film Club

£3 Monday 22nd June 3-4:45pm

Forest School

Back up and running Thursday 25th

Reports out

Friday 26th
