

Raise funds for St Joseph's RC Primary PTA!

How? By shopping online!

We've teamed up with fundraising website www.easyfundraising.org.uk to help our PTA raise more.

So how does easyfundraising.org.uk work?

When you shop with any retailer featured on easyfundraising.org.uk, a percentage of whatever you spend will be donated to St Joseph's PTA.

You can shop with over 2,000 well known retailers who will donate up to 15% of what you spend. Including big names such as Amazon, M&S, John Lewis, Tesco, Argos, and many more.

The easyfundraising.org.uk system will register your purchase, automatically collect the donation from the retailer, and pass it straight to St Joseph's!

It's as simple as that!

It's completely free to use!

The easyfundraising.org.uk service is totally free!

In fact, there are lots of voucher codes and special discounts on the site, so you could actually save money, and raise funds for St Joseph's at the same time.
