

Our trip to London

We all met up at School at 6:00am. Mr and Mrs Dean drove us to Manchester Piccadilly Station.

Here we are at Manchester Piccadilly Station eating our packed breakfasts as we awaited our train.

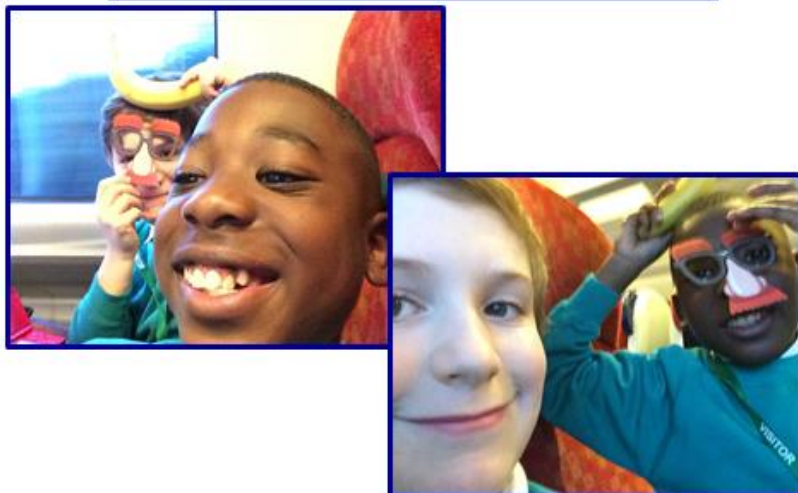

Then we finally boarded the train to Euston Station, London.

Myles was super excited as this was his first time on a train! Here are a few photographs and selfies we took on the train...

The activity packs that were given to us by the Train Crew had some 'Selfie Props' inside. Myles and Kieran used these to their advantage.

Mrs Willan didn't want to use any 'Selfie Props'.

We finally arrived at Euston Station, London. We had to split up into 2 Black Cabs. Here are some pictures of our journey to the Houses of Parliament.

London's Oxford Street looking festive for the season.

**We passed Buckingham Palace.
Unfortunately we didn't get chance to take
a photograph.
Fortunately, we were able to get **half** a
picture of one of The Queen's Horse Guard.**

**We also got a
rear view of the
Horse Guard.**

**We then finally arrived at The Houses of
Parliament.
After we got through the Security
checks, we came to Westminster Hall.**

**We couldn't take any pictures on our tour.
We saw many different attractions,
including the Speaker making his entrance
through to a debate in the House of Lords!**

**After the tour, we had an Awards Ceremony
on the Terrace.
Here is us receiving our "Long Life and
Sustainability Award" from Kellogg's.**
