

Year 6 Spring Term 3 Theme

Science and Technology:

We are studying electricity. We are going to be exploring electrical circuits, looking at what affects different circuits and the components within them. We will look at circuits in series as well as parallel circuits.

Faith and Belief:

Our religious work will focus on Christian beliefs about the natural world - looking at the wonderful world that God has created. We will look at issues such as stewardship – looking after God's creation – as well as looking at what Fair Trade is, tying in with our topic on Chocolate.

Arts and Creativity:

Our art work will focus on clay sculpture, looking at ancient Mayan and Aztec sculptures as an inspiration.

In music, we are going to be listening to and performing music from South America – Samba.

Chocolate

Context:

Our curriculum will focus on the Mayan and Aztec civilisations, looking at the importance of the cocoa bean to life in this ancient period. We will focus on how it was grown and used in everyday life. Our English work will incorporate chocolate related topics.

Place and Time:

We will be focusing our studies on life during the ancient civilisations of the Mayan and Aztec empires. The children will look at life in Central America during this time, comparing how different civilisations lived at the same time.

Language, Oracy and Literacy:

This term we are going to be looking at stories from other cultures in our story writing. We will also be learning how to be persuasive in our writing, looking at how to write arguments and adverts.

Mathematics:

- Time and reading timetables
- Multiplication and division
- Problem-solving involving all four operations
- Angles
- Constructing 2D shapes

Physical and Emotional Health/Citizenship and Ethics:

Our outdoor PE focuses on volleyball. We will be continuing our work on dance in PE as we finish off our Jive topic from term 2. We will also be looking at health and fitness as a healthy living choice, looking at the positive effects of exercise on our bodies.
