

Anti-Bullying by Pearl Class

In schools, we work hard to make sure everyone is cared for and everyone is safe and happy.

What is bullying?

Bullying is when people are not being very nice to you and it happens constantly. The bully is doing it on purpose. This could be calling you nasty names, physically hurting people, pulling faces or not letting people join in.

What is anti-bullying?

In our school, there are always people to talk to. We have playtime leaders to help us play nicely. We have had talks about cyber bullying. Adults will help us solve our problems and if it carries on the Head teacher will get involved.

What can you do if you think you are being bullied (top tips):

- Think - is it bullying? Is it on purpose and happens a lot.
- Ask the other person to stop.
- Tell the person on duty.
- Tell your teacher
- Make sure you tell the teacher if it happens again.
- The teacher may speak to the Head teacher (Mrs Crayton).

If you don't say anything, it can't be sorted out!
