

Halton Holegate Church of England Primary School

Dear Parent,

Communicating with parents is an important part of what we do, making sure you get the correct information about activities, events and things that really matter is something we care about.

We use 'ParentMail' to communicate to parents and staff, and it is very important you register.

All you have to do is complete your details below and return the form to school as soon as possible.

You will then receive an email telling you how to activate your account. A 'Quickstart' guide to using Parentmail once you have registered is available from the school office.
