

## Handwriting Scheme

We have produced a simple guide to our new handwriting scheme which we have now introduced throughout school this term. We do hope that it will be a help to you when you are working with your child. We would ask you to encourage your child to begin each letter on the line every time. You will experience a transitional period, whilst your child becomes more confident and familiar with the style.

Website to use [www.teachhandwriting.co.uk](http://www.teachhandwriting.co.uk)

This website can be used free of charge with no passwords etc. There are lots of things on here to help you, from advice on good sitting positions for handwriting, to exercises for your children to do, to develop good pencil control. We would encourage you to take some time to look at this resource and see how it can help your child develop a neat style of Continuous Cursive Handwriting.

Many thanks for your co operation in this matter.
