

FRIENDS OF NORTH FERRIBY SCHOOL

Registered Charity No. 1097563

7th January 2016

Dear Parents/Carers,

The Friends of North Ferriby School want to ensure we are delivering the best possible service to the community we serve. To help us do this, we would ask you to give a few moments of your time to answer our questions about the events we hold and what the funds raised are spent on. As parents/carers at North Ferriby Primary School your opinions are very important to us.

The Friends of North Ferriby School have always been very lucky over the years to receive great support from our parent volunteers. We simply couldn't run our events without them! However, in the past we have found that often it is the same faces who get depended upon time and time again, while others (who would be willing to help) are unaware we need volunteers. To rectify this, we would like to create a FoNFS volunteer database. Now signing up to our database doesn't automatically mean you've signed your life away. All it means is when we need help, we will send out a circular email to those we have listed on our database to notify them that we need volunteers for a specific job and details of who to contact if you can help. Those on our database will be under no obligation what so ever to respond to our emails.

Please return all completed questionnaires to the school office or email them to Charlotte McGinley at stopdropandrollaround@hotmail.com.

Thank you for your time,

Friends of North Ferriby School
