Profile	<p>After graduating from Lancaster in 1992 I worked abroad for several years before settling in London and working as an office manager for an architectural company. I stepped out of the workforce in 2000 to undertake the ultimate and most enjoyable challenge of caring for my son who was left with multiple disabilities following his premature birth, and his younger brother. We moved north to my home town of Beverley in 2007 and my son happily joined St Anne's School and Sixth Form College. I became a governor as I strive to give him the best education possible and make a difference for him and all of the pupils who attend St Anne's. Since then I've helped to set up the Friends of St Anne's, of which I am the treasurer, and the Special Mums/Dads/Carers Social Club (SMSC) which was created with the aim of building a whole school community and supporting parents and carers by bringing them together through organised social activities every month. In my spare time I enjoy trips out with my sons, outdoor sports, gardening, socialising (a lot) and drinking red wine.</p>
