

12th January 2016

Dear Parents/Carers,

RE: Forest School for Year 1 and 2

I will be running Forest School sessions for your child this half term. Unfortunately these will only run for 2 weeks initially as I am aiming for the majority of the school to experience Forest School during the academic year.

Please see attached list for the dates that your child will be attending Forest School.

Attached is an example of suitable clothing for Forest School. As we will be going outside in January and February there is a really good chance that it will be cold. Therefore please dress appropriately as we will be spending up to 2 hours outside.

As many of you are aware, to run these sessions successfully, parental support is needed. If you are interested in signing up to join us outside on a Forest Friday then please complete and send back the attached slip. Please return to the office by 14th January 2016.

Any questions or queries, please ask.

Many thanks,

Carys Goodman
Forest School Leader

Forest Friday...

I can come and help on.....
