Pupils reaching the End of Key Stage 4 in July 2014

100% of targets in English were met

96% of targets in Maths were met

80 % of targets in Science were met

Individual Pupil Target data in addition to p scales scores above:

As pupils move through the secondary department of the school, more emphasis is placed on their individual progress targets which are set termly.

KS 3 - 63 % of personal targets were met and 24 % were partially met

KS4/5 - 78 % of personal targets were met and 17 % were partially met

Overall, teachers target setting is seen by the Barley Lane Campus Team as more individually focussed and accurate since the introduction of the Personal Progress ASDAN scheme in 2012.
